My name is Tony. Last Saturday I went for a picnic at the beach with my family. My mother drove the car. My father has bought a new CD player for the car so we listened to music and sang songs while we were driving to the beach. When we arrived, my little sister made a sandcastle and I went for a swim in the sea. I didn't stay in the water long. It was too cold. At one my father took the sandwiches out of the car and we had lunch. In the afternoon I played beach volley with some other kids. It was fun! We went back home at 6 o'clock. We had a lovely day!
